Mima Gallery Re-Opening with 40 Canadian Artists...

Invigorate your environment from an impressive collection of affordable artwork by acclaimed Canadian artists. Mima Fine Art has opened its Gallery for the summer. Drop in and you'll see an exhilarating array of archival giclee editions on paper and canvas - all produced in-house. From the colourful boats of Graham Herbert to the impressionistic landscapes of Brian Scott, coastal panoramic photos of Mark Prior and abstract landscapes of Annie Siegel, there is something of interest for everyone.

A British Columbia based art publishing business, Mima now represents over 700 editions by 48 artists. The company has recently undergone substantial growth, developing from a two person operation designed to sell the work of owners Mark Prior and Mitra Ghaffari to one distributing artwork to over 40 outlets across British Columbia and into Alberta, including the Bay stores in downtown Vancouver, Victoria and Nanaimo. In addition to its art publishing, Mima offers printing services for artists.

This summer marks the first time in three years that the rose-festooned gallery will be open for public access. Bring family and friends for a journey through the corridors of contemporary Canadian art practice.

Gallery hours: **Thursday to Sunday, 11am-4pm**. Mima is located at **1901 East Road on Denman Island**. **Prices start at \$24.00**. For more information about Mima or the Gallery, please call us at: **1 877 335 8111** or visit our website at: www.bcmima.com
